

# Abrasive cloth, waterproof

# CS 320 Y

## Properties

Bonding agent	Resin
Grain	SiC
Coating	Close
Backing	Y-polyester

## Product benefit

Outstanding abrasive performance on hard and difficult-to-machine materials - Ideal for high stress - Can be used wet or dry

## Materials

Glass/Stone	●
Mineral based materials	●
Plastic	●

## Applications

- Wood processing industry
- Window and door construction
- Furniture industry
